

A FANTASTIC OPPORTUNITY TO RUN OR EXPAND YOUR OWN MARINE BUSINESS

The reputable Cornish-based Powercat production is for sale by **Multimarine**

Here at Multimarine we're busy and we need the space. We also want to put all our focus into our tailored and production Dazcat ranges, our specialism, but at the same time we're very aware that lots of people out there still want a **Powercat**. So we're offering this one-off chance for someone to buy this incredibly popular **Powercat** business, with new and interested clients on the list.

Powercats have been widely used as **pleasure and fishing craft, Race Committee Support Vessels**, by **Harbour Authorities** and other **Marine Businesses** as well as in the **Military**. They are versatile, fast and best of all, economic to buy and run. You can find reviews and specifications as well as details of each model, on the website at www.powercat.co.uk

Package Includes:

Powercat Branding

Pre-built website

Goodwill database – plenty of current interest

Design construction information
